6

••••• 2011-2019

2015?

1K miles per incident Travel on average 1,000 miles between safety interventions Sorry, fellow Tesla Owners; Tesla's done some great stuff but this is really where they are on the Robotaxi timeline today.

Do complete trips

Able to drive up to 5 complete journeys in a row w/o needing an intervention

2010

Make a nice video

Able to make a video of a wellperformed drive Dates mark milestones for Waymo.

Right bar marks where other robotaxi projects are on that timeline
